Dear Club,

My husband and I own a chippie in a seaside town.

I enjoy the lively banter we get from the blokes who stop in on their way home from the pubs at night, and even though I love my fella very much, I still like to have a bit of a fling now and then. My Frank is okay with this, or at any rate, he turns a blind eye, and anyway, these days he's more interested in what came first in the 2.30 at Doncaster.

This year we took an early holiday in Spain, and when we returned home, I was mad to display my tan. So I got my hair bleached and straightened and along with my fresh tan I began to dress a lot more daringly to work. My new look worked and before long I was getting attention from more younger guys than before. I have this thing for young blokes, and continually being the centre of their attention made me feel more sexy and playful.

The result was that I had a few flings over the summer and was thoroughly enjoying myself and making lots of friends while serving behind the counter. The most memorable of my conquests was a 21-year-old biker named Thomas, a fairly regular customer who had always who made my pussy dampen, even when he just looked at me. Tom wears his black hair slicked back with gel, and everything about this guy is hot from the way he slides his dark glasses back from his face to the almost constant bulge in his tight leather biker trousers.

One night not long before I was due to lock up the shop he came roaring up to

the chip shop on an enormous shiny black motorbike. I was seriously impressed, motorbikes have always done it for me, and the thought of sitting astride that beauty had my pussy dripping within seconds! I as he was immediately surrounded by his mates and a group of young girls.

I had just about given up any chance of having a fling with Tom when I saw the extent of the competition, but the next minute he swaggered into the shop, brushing off the girls who swarmed around him like gnats, and made a beeline for me. Placing an order for a burger and chips and looking me over suggestively, he asked me if I fancied going for a ride on his new bike once I shut up shop.

I assured him I was well-up for a moonlight spin and hurried out to join him.

I was only wearing a tiny thong beneath my short cotton summer dress, so I could feel the soft leather upholstery caressing my arse-cheeks. For a moment I just sat there, enjoying the throbbing of the powerful engine. Then Tom swung the machine off the path, and I held on to him tightly as he let the engine rip. Tom took the cliff road and stopped the bike near the cliff edge so we could look down at the sea.

The smell of his leathers condensed with the faint scent of my juices created a heady aphrodisiac for me, and I was shaking with sexual tension and desire as Tom helped me to dismount. It was a balmy night and our bodies felt hot as we became locked in an intimate embrace. We could hear the sounds of cars in the distance, and although we had the cliff top to ourselves we could not be sure for how long.

Tom's hands were all over my big tits, groping at my fleshy pillows. Kissing him hard on the lips, I grabbed his crotch and in a stern tone, I told him to take it easy. I assured him we would have plenty of time to cover up as we could see any car lights a long way off.

Intending to give him such a good time that he'd come back for lots more. Undoing the front of his leather trousers I hauled them down to just above his knees. Then, sinking to my knees on his jacket, I began to suck on his substantial cock, taking him deep in my mouth until I could feel the tip of his lovely prick knocking against the back of my throat.

I don't think Tom had ever been given head by an experienced woman before because all his self-confidence and cockiness left him and he sounded like a grateful little boy. I intended to show him just how good it could be, and as he brushed back my hair to watch me, I began to diddle his balls gently in one hand while squeezing the base of his cock with the other. Tom gasped as I tilted my head back so that I could swallow another inch or so of his meat without gagging. His hands gripped my hair tighter now as he became more and more excited. Soon he was thrusting his cock in and out of my mouth, fucking my face as hard as he could. I gasped and tried to go with him but in the end, while it was fun I wanted a good deal more than this, so I jerked my face away from him.

Moving sexily to his bike I shimmied out of my thong and dropped it on the grass. Naughtily I pulled my skimpy summer dress up, allowing him to see the pale flesh of my bare buttocks in the moonlight. Then, looking back at him provocatively, I invited him to take me from behind as I draped my body enticingly across his saddle.

Tom checked that his precious bike was securely balanced on its stand before running his hand across my juice-slicked cunt. I was hot and ready for him, and his cock slid easily into my vag. Without any hesitation, he began sawing his rod in and out of my slit, and before long I felt my toes curl in my sandals as he rode me to a spine-tinglingly brilliant orgasm.

But fair play to Tom, he had a bit more stamina than I'd expected, and despite having climaxed myself, he was still a way off. Pulling me away from the bike, he slid out of my quivering hole and, repositioning his jacket on the ground; he lay down on his back, his lovely pole poking straight up in the moonlight. Well, it was too good to resist, a so hitching my short dress right up, I stood over him and, holding my soaking pussy lips open with one hand, lowed myself down onto his hard prick.

I couldn't believe that this young stud would have the stamina to bring me off twice before he came himself, but as I ground down on his pole I soon realised that it was going to be me who came first, as he alternately tweaked my sensitive nipples and grappled with my arse cheeks while my clit rubbed deliciously on his crotch.

Once again I found myself flooding his pole with my copious juices as I came again, and by the time I'd recovered from this second orgasm I was putty in his hands.

Tom probably sensed this, because I suddenly became aware that he'd slipped his prick out of my sodden gash and was now gently teasing the tip round the opening to my bum. Well, I don't usually like to do anal on a first date, but this was something a bit out of the ordinary, so I looked down at him and smiled as his slippery dick suddenly slid its way into my back passage.

I gasped as he filled me and began fucking my bottom, but by now his resistance was exhausted and, after a couple of minutes he jerked his hips even harder and flooded my arse with his thick sperm.

I could barely stand as he helped me to my feet, but eventually, we managed to get back on his bike and head home. We're now making a regular thing of it, and I can't get enough of my new young stud!

Debbie, Skegness.

HOLLY ♣

Here we are half way through the year, and Club was still yet to feature the Page 3 stunner Holly Gibbons! We nearly eat our hats when we realised and quickly sought to correct this travesty. Luckily Holly didn't hold it against us and came into the office to help us with our dilemma. She was very understanding and quickly stripped off down to her undies, which gave all of us a rising feeling! ♠

Fox hunting...

There are several good reasons why Aidra Fox has over 169,000 followers on Twitter, but chief amongst them must be the fact that she can pose for sweet pictures like these, and the next minute make a film called *My Evil Stepmom Fucked My Ass*. She's multi-talented, sure, but when two of those talents are 'looking fit' and 'getting doinked in the bum', we'd say you're doing something right. That's why she's Fantastic Ms. Fox... ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

STRESS BALL!

My man and I both work in high-pressure jobs, for the same firm – that's how we met – and we've found shagging is the best stressbuster. We aren't short of places to fuck. We've got the run off the office when we're both on a graveyard shift, but it's more fun to sneak a bonk during business hours.

One week, Jeff was having a particularly hard time of things, so I sorted out a very horny treat for him. He's got a real thing for anal sex, but obviously it's not something you can rush. I usually need him to take ages over lubing and loosening up my arsehole, but this time I did the hard work for him.

I emailed him, telling him to meet me in one of the store-cupboards, and about half an hour before that, I slipped into the loos. I had a big tube of

lubricant and a big butt-plug about the same girth as his cock, which I'd bought without him knowing. It had a tapered end, before you got to the thickest part of it, and with the gel slathered all over it and my arse, it was easy enough to slip in.

It was still quite a tight fit, and I got that 'stuffed full' feeling I always get when Jeff does me up the arse. There were still ten minutes to go, so I went back to my desk, avoiding sitting down at all costs. Of course, the chairman of the company chose that second to give a load of important-looking business contacts a tour of the office, and I had to stand there, smiling politely, with six inches of sex toy up my arse.

I made sure I got to the cupboard before Jeff, and when he walked in – thankfully it WAS him! – he found me bent over, with my arse opened up ready for his cock by the plug and slathered with more lube. He walked around the front of me, so I could suck

“He found me bent over, with my arse opened up ready for his cock.”

him to hardness and lube him up, then he just got in behind me and just sunk in me, smoothly and in one go. He went in so deep, I groaned with pleasure as I felt his balls press up against my arse cheeks.

The cupboard's pretty safe in terms of not getting caught, and we had quite a leisurely fuck. That wasn't really the idea – I wanted Jeff to be able to just bang away into me, to relieve his stress, and that's what happened as he got closer to cumming. I heard as well as felt his crotch going slap-slap-slap against my arse, and as I reached down to play with my clit, he fired a big hot load right up my tight hole. And he hadn't quite finished cumming before I orgasmed hard, the juices trickling out of my open pussy.

“Can we do this again tomorrow?” he

laughed, when we'd got our breath back. I told him we'd do it any time he was having a harder day of it than me. Which doesn't happen often, but it makes it more of a treat! *Julia, Lincoln.*

RUMP RIDER!

I met Naomi at a conference last year and we hit it off really well. Afterwards we went to her hotel room and had the hottest sex. There's no messing around with this lady. Although Naomi is married she also likes to play around a little, so every so often we meet up for fun.

She's the sexiest woman I have ever met, and I readily admit that if I could lure her away from her man I would do so. Of course our relationship is based almost entirely on fucking so maybe we'd have nothing else in

common, but just the thought of waking up next to her sexy body every day drives me crazy and I wish that could happen.

Fortunately, however, her husband travels frequently, and during those occasions Naomi and I meet and have the most amazing sex. The fact that she needs to be screwed silly as often as possible is a tremendous turn-on and I am always more than ready to drop whatever I am doing and rush over to jump her the moment I get the call.

We don't waste our time on small talk. Naomi is always naked and waiting when I arrive, and as soon as I walk through the door I make my way to her bedroom, loosening my clothing en route. Our last shag was last Monday morning, and we followed the usual routine. As soon as her hubby had got on his plane she called me from her mobile on the drive home.

She was naked and waiting on the bed for me when I walked in the door. I lost no time stripping off, and within moments of my arrival I crawled up the bed, and, gently touching her lips with mine, I slid the throbbing head of my dick between the slick swollen wet lips of her pussy. Nudging it against her clitoris I watched her pussy lips give way and squeeze tightly around it as though sucking it in.

Naomi is very vocal and loves to talk during sex, and this time was no exception. “Fuck my hot pussy,” she kept saying as she rocked her hips upward, grinding her clit against my hard shaft. “Please screw me,” she whispered, then she ran her tongue-tip between my lips.

“Fuck me,” she demanded, her passion rising as she bit down on my lip. “Do me now!” Her hands gripped my arse-cheeks and she ground her pelvis hard against mine. I laughed at her impatience and teased her by pulling out my cock and holding it at her dripping entrance.

“Please,” she begged, so I mounted her again, penetrating her. With one swift thrust I buried the entire length of my prick inside her. Naomi squealed and clawed at my buttocks, pulling me forward as her back arched. Stabbing my cock deep inside her I felt her pussy muscles flex around my shaft as she moaned and writhed beneath me.

I pushed her legs back, held them there and positioned myself so I could give her a really deep pounding. When I shunted my dick back inside her she whimpered, clawing my flesh as I jabbed my cock back

“Naomi squirmed as I rimmed her, moaning softly as I pushed my tongue against her ring.”

and forth with short, quick strokes. I rode her deep, thrusting and withdrawing, listening to Naomi's breath coming in gasps.

She begged me to allow her to orgasm, but I ignored her pleas and rode her like this until she trembled with every push of my hips. Digging my toes into the mattress, I rolled her back onto her shoulders, and changed to fucking her pussy with long, slow, hard strokes. Her hands held onto my arms now, giving her extra leverage to thrust her hips up to meet my plunging cock. Our bodies moved together in a rhythm, and I fucked her using a downward stroke which pressed me tight against her so she felt the friction of my thrusting shaft against her stiff little clitty.

Naomi's hips bucked on the mattress as I slammed into her repeatedly. Then she sank her teeth into my shoulder as she came, her sweet wet cunt gripping tightly around my hard cock as her body shuddered with the intensity of her climax. She shook time and again, her breath coming in short gasps of pleasure before she finally dropped back against the pillows.

I smiled down at her, deciding where on her beautiful body I was going to shoot my load. I had been going to opt for spraying my load on her gorgeous DD tits, but then I thought of her lovely pink rose-bud and reconsidered. Deciding on an anal pop, I rolled her over and began to stroke her buttocks gently with my fingertips. Pinching the tip of my cock to keep it good and hard, I spread her cheeks and ran my fingers from her sopping wet pussy to her arsehole.

Fingering her tight ring I teased it open

with my finger and then bent to lick it. Naomi squirmed as I rimmed her, moaning softly as I pushed my tongue against her ring.

Looking back at me with a grin she reminded me that there was some lube in the drawer by the bed. Knowing that she likes to be well lubricated for anal I wriggled over the top of her and reached into the drawer to get it.

I squeezed a good dollop of the cold lubricant on her anus and gave my shaft a thick coating of the stuff. Pulling her bum-cheeks apart I nudged my cockhead against her bumhole and prodded it a few times to prepare her before pushing my way inside.

Naomi raised her arse slightly as I inched my way inside, relaxing her anal muscles so that I could fully penetrate her. She grunted and growled as I fucked her arse, rubbing her clit in time to every stroke of my cock. She kept yelling at me to fuck her harder, while I held on to her hips and pounded her tight little hole until I could feel my spunk welling up in my balls.

“Go on!” she urged me. “Cum inside my arse!” That was too much! I gave her one more hefty thrust and unloaded my cream deep into her fabulous, incredibly shapely rump.

Ben, Wycombe.

If you saw Katherine Waterston's eye (and fly) popping performance in Paul Thomas Anderson's excellent *Inherent Vice*, you'd be forgiven for thinking she was some 20-year-old ingénue. In fact, she's 35, with a decent career behind her already, taking in *Michael Clayton*, *Boardwalk Empire* and *The Babysitters*. The last was her first topless role, but even that is just a warm up for her prolonged nude scene in *Inherent Vice*. The title says it all... ♣

Binman Returns!

Perfect attire to run the IT department!

Do you remember when it was all the rage in the 80's to turn up to parties wearing a bin bag? Clearly this guy didn't get the memo a new century had begun, making this robber as out of date as his wardrobe and in need of binning! The Sturgis, Michigan police department released a statement asking

the public to be vigilant and report anyone dressed in a bin bag, as a male sporting a bin liner as outerwear had walked into Sturgis store brandishing a gun and demanding money. After receiving an undisclosed amount the thief legged it leaving nothing to identify him. Well, apart from the indelible memory of what a dick he looked...

Mad-Donna!

We don't fancy Jesus's!

Have faith and the Lord will provide, or so the saying goes, but whether that extends to paying your restaurant tab I'm not so sure. April Yates, 51, was arrested and charged with defrauding seafood restaurant Bennetts Calabash. Staff called the police after Yates started disturbing other customers and refusing to pay her bill, stating she had no money. When the officers inquired what Yates planned to do about the bill, she told them Jesus would pay it for her. At that point she was hauled over to Myrtle Beach Jail, thank the Lord.

He then proceeded to accidentally activate the video app which the owner was able to remotely access and share with the police, who now have a lovely shot of the suspect and are waiting to put a name to the face. This could develop into a new version of Guess Who... ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

DESIGNS ON YOU!

Hey baby. I'm a graphic designer at a web agency, and I work in the funky basement office. You can probably tell from looking at me that I flirt with the guys all day long, and come home-time, I'm gagging to have my pussy filled. Sometimes, I'll put on some sexy underwear, like a pink suspender set, underneath my suit, just to add that little bit of spice to the day. I'm not stupid enough to fuck anybody I have to sit across a desk from month after month, but this office has certainly seen its fair share of sexual tension! Will you please come and help me relieve it?

It's 8 o'clock, and everyone's left the office. God, it's worse in the summer, everyone goes berserk over the flesh on display outside at lunchtime, and is panting all the way through the afternoon. I'm dressed up, and waiting for you, draped over the chair as I hear you walking down the metal staircase. The chair is pink and fluffy, and the tickling of the soft fabric as I lay, legs apart, draped over it, is making me wet. My firm titties are spilling out over the top of my pink basque, I have one leg over each arm of the chair, and one hand grasping the back of it. With the other hand, I stroke my pussy through my flimsy black knickers as you walk towards me.

You reach the bottom of the stairs and your

eyes flick over my prone form, resting for a while on the damp, gauzy patch in my knickers. Unbuttoning your fly, you approach me, dick bobbing in the air as you walk, until your crotch is level with my face. I'm still touching myself through my panties, lightly flicking a nail across my clit as I poke the tip of my tongue out from between my lips. It sticks out, pink and wet, before I slowly and sensuously run it around my lipsticked mouth, then blow you a kiss.

Taking your cock in your hand, you use the other to grab the back of my head, entangling your fingers in my tresses and pulling my face towards your cock. You rub your fat helmet around my coloured mouth, covering your purple crown with a shiny smear, before widening your circling to deliberately smear my chin and cheeks with lipstick. You like the slutty look, huh? Good, I like that, too. Your prick's butting against my sealed lips now, seeking entrance. I keep them closed with a

on your face. I straddle your head, facing your cock, so my dripping pussy is inches from you. My cunt hovers a couple of inches above you, so you can smell the fragrance of my arousal, and see everything; my clit peeping out from my hood, and the gleaming, deep pink entrance to my pussy, framed by delicate pink lips, with shiny lines of girl juice strung over the whole ensemble.

I lean over and start to tickle your balls with my tongue, exposing the dusky dot of my arsehole. As hairless as my pussy, the knot of muscle sits quivering between my smooth cheeks, exactly at eye level. You feast your eyes upon the entire spectacle before you for a second, before diving in, your tongue delving deep into my cunt. There is a moment of resistance before your tongue breaks through, sliding along my soft flesh and tasting my creamy depths.

Lifting my head up for a minute, I groan my appreciation, before sinking down onto your

“My cunt hovers a couple of inches above you, so you can smell the fragrance of my arousal”

little smile, but I'm just playing.

I open my lips a little to lick them again, and flick my tongue across the end of your cock as I do so, tasting the salty tear leaking from your Jap's eye. Placing my soft, pursed lips over the end of your crown, I flick my tongue backwards and forwards within the flesh-encased area I have created, making you shiver. As I lap at your cock-head, I'm still playing with my pussy, slipping my finger underneath the gusset of my knickers to properly appreciate the wetness of my slit. I gently explore my moist, fleshy folds, stroking my hairless pussy lips delicately as my tongue squirms around on your cock, your helmet shiny as it pulses with pleasure.

“I want to taste how wet you are,” you say, before taking hold of my arms and pulling me off the chair. You tear my basque off me, leaving my stockings, and lie on the floor on your back, erection straining against your belly, and tell me to come sit

cock, taking all of its length in my mouth in one go. This position allows me to get that extra inch further down your prick; I take in as much as I can, so I feel I'm inhaling cock, then tilt my head forwards, and it slides in that extra glorious inch, clicking into place – a perfect fit. I love the feel of being stuffed so full of cock that I can hardly breathe, and move my head around slightly, so I massage your swollen member with the soft flesh in my throat, as my pussy pulses gently around your tongue.

You lick my slippery pussy walls with the tip of your tongue, before retracting your tongue a little, coming back out to dance round the entrance, flicking from side to side. I come back up your cock, wet lips firmly encircling you all the way back up to your helmet, past the ridge and right up to the eye again, sucking as I go so I come off the other end with a loud 'schlurp'. Moving in wide circles around my clitoris, your tongue causes sparks of pleasure to coarse through my sex, before you pull my pussy lips further apart with two fingers, and gently lick up and down across my actual button, keeping your tongue beautifully broad and relaxed.

I lick my hand and wrap it around your shaft, swirling my tongue around your crown, licking around the rim, kissing the frenum, my tongue darting into your Jap's eye. Your fingers have

joined in on the act now, sliding one finger into my aching hole, as you enjoy the feel of my pussy clinging to your finger, hugging you wetly as you massage my hot hole. My other hand is gently fondling your balls as I wank your shaft, my head bobbing down on each upward stroke so my lips meet my fingers and your whole length feels encased. Spit-soaked fingers can feel every vein in your shaft as I slide up and down it – I can even feel the blood pumping inside you.

You slide another finger inside me and shove them in and out as you circle my clit, my button prominent on your tongue. My pussy's pulsating in your mouth as you fuck me with your fingers, my orgasm's getting closer, then you pull your fingers out, my juices dripping on your face, and explore my arsehole, pulling my cheeks apart with both hands for a good look before running your juice-soaked fingers along my crevice. You stroke the puckered flesh with your fingers as I deepthroat you once more, cock clicking onto place like it did before, and you pause from licking my clit briefly to look down, watch my tits dangling and my reddened face engulfing your cock.

I'm close to cumming, you're flicking over my clit again, and I grind my pussy into your face as I deepthroat you, covering your mouth, nose and chin with my sticky secretions and bucking my hips so that I'm smothering you with my pussy. Your fingers claw at my arsehole as I ride your face, hugging your cock in my throat, and you thrust your tongue deep inside my cunt again. It's trembling with pleasure, and you ram your muscle in and out of me while I smear you with my juices, finger circling round my asshole but not quite going inside, stimulating the sensitive entrance.

Our bodies are locked together in a sweaty mass, when I feel the prick rammed down my throat stiffen. Your tongue's in my pussy and you can hardly breathe as you erupt deep in my throat, your cock twitching in my mouth, so deep I can't taste anything, I can just feel the hot jets of spunk lashing against my throat, spurt after spurt, and trickling down into my tummy.

As you unleash your creamy torrents inside me, you surprise me, and thrust a slippery

“**My pussy's pulsating in your mouth as you fuck me with your fingers, my orgasm's getting closer, juices dripping”**

finger into my bum. I squeal onto your cock, still twitching in my mouth, and grind my clit against your lower lip and chin until your tongue snakes out of my pussy and remains sticking out from between your lips. I have a set of three ridges to grind myself against, thrusting myself down onto your cum-covered face as you lap at my clit, thumb pushing further and further into my behind.

I cum with a wail, your cock still in my throat, my pussy beating out its rhythm of pleasure on your face, pulsing over your lips. Surges of electric ecstasy wash through my body and I gyrate onto your face in time with them, cum dribbling down onto your face, until my orgasm subsides, and I collapse on top of your body.

Fuck knows how we managed to do it, but our writhings have sprayed the contents of the 'in' tray all over the floor, including over us. The sweat-drenched sales figures papers should be fun to explain tomorrow!

CUMMING CLEAN!

My husband is a regular *Club* reader and since I discovered his collection so am I! I look forward to the days when I find the next issue at the top of his 'secret' stash (honestly boys, as if your wife isn't going to look under the bed!). And once I've got my mitts on it I feed my pussy a fist full of my fingers thinking

“I got on my knees and gently took his prick in both hands, licking up and down his hard length”

about your gorgeous girls. I get wet and dirty reading other girls' filthy secrets, but as much as I love them I always climax on my very own story. What pushed me most to tell you all about it is the thought of my husband secretly wanking over this story with no idea it's about me! I've always been very flirty with guys and didn't intend to stop that after saying 'I do'. But I never in my wildest fantasies thought I'd be having the best sex of my life with someone other than my hubby!

It all started when we moved into our new home, miles away from friends and family. I soon found my days a bit empty and dull and with Tom out a lot either working away or following Chelsea FC, I decided to go out and find some fun for myself. Whacking on the tunes I washed my auburn locks and prepped up my still sexy body for some TLC. Slipping into my pre-Mrs little black dress I looked pretty darn good. Far too good to be stuck at home baking pies and running round with a duster on a Saturday night. As if!

I admired my long, tanned legs in our hallway mirror. Knocking back vodka for some courage I finished off the look with my outrageously expensive, patent black, six-inch heels. Looking this hot I knew I wouldn't have to wait long for some (much needed)

male company. It's funny how a tall, red-haired twenty-something can stop a man in his tracks, and that's exactly what I did. As soon as I entered the local pub I realised I was a bit overdressed, but the guys at the bar didn't seem to mind, and with the vodka kicking in I worked the room.

Within seconds I spotted this bloke sitting quietly in his work gear. My heart started to thump under my breasts as if I knew I'd found my Saturday night fuck ticket! He must have been a builder as he was all mucky and wore a pair of those boots with the big bulging toecaps. As I glided over to the bar I felt his eyes all over me. I was gagging for some fun and he looked like the perfect man for the job. Looking up and giving me a smile and a cheeky wink, he offered to buy me a drink and we soon got chatting. To be honest I wasn't really listening to much of what he was saying as my whole body was aching to be touched. His strong working hands cupped his pint but I just wanted them clawing off my clothes.

He smelt of man – the scent of a hard day's work – and as I nodded along to his conversation I felt my pussy gently tingle with excitement in its little pool of juice. After a couple of hours he finally offered to drop me home. I think it was my shrinking dress that did the trick. I'd hitched it so high I might as well have taken the bloody thing off!

Well we soon got to where I wanted to be – my front door. I ran my hands over his stubbly, strong face. The softness of my fingers glided over his lips and he knew he had the green light. Opening the door he gingerly stepped in, his muddy boots leaving a trail of dirt on my cream carpet. If Tom had made that mess I'd have had a fit, but with Jay it somehow turned me on and I followed the dirty trail straight into his big, strong workman's arms.

His huge hands grabbed at my arse cheeks and our tongues played in each other's mouths. My heart was now beating though my chest and the excitement made me light-headed. He must have sensed this. In one glorious swoop he swept me off my feet and headed straight to my brand new three-seater sofa. As we fell into the sofa the weight of him pushed me deep into the cushions. I knew at this point it was three grand well spent! His hands wanted to feel each crevice and curve of my body and I surrendered to them gladly.

Lifting up his shirt I unwrapped a body to die for. His perfect muscle-bound chest weighed heavy on my small frame and his

cock dug into my thigh through his dusty jeans. My hand wandered down and found his belt. Unhooking him, I teased myself by slowly unzipping his jeans. As his cock sprang out in a bounce for freedom my eyes widened in shock and unadulterated joy. I knew I'd picked a winner and nine inches of thick dick was my trophy.

A surge of energy I'd never experienced before ripped through my body and I freed myself. I needed to get my panties off and get that cock inside me. Ripping off my dress – what was left of it – I exposed my body. I felt tiny compared to him and desperate to push his cock deep into my cunt. I got on my knees and gently took his prick in both hands, licking up and down his length. As my hands rubbed up and down on him my spit slipped around my wedding ring, but Tom was the last person on my mind right then.

As Jay reached the peak of his erection I crawled up his body. I was so wet by now I wasn't interested in foreplay. Slipping myself down on him, my hands grabbing onto his broad, hairy chest, I gasped louder with each inch that filled me. Horrified that I was going to cum so soon I tried to distract myself by thinking of my messed-up carpet and dirty new sofa, but it only made me worse and I spurted out my clear, sweet cum while letting out a loud scream of pleasure.

I bit my lip and gave him a sheepish giggle. He laughed and stood up with my legs wrapped round him. Staring right into my embarrassed eyes he said, 'Let's do you again, and this time give me a chance to join in!' Well that almost gave me seconds on the spot! Sexy and considerate – what more could a woman wish for? I managed to muster some self-control in my over-excited pussy! Pushing me up against the wall and knocking down the picture painted by my mother-in-law he began to pound me like a pneumatic drill.

I'd never been taken like this and as his body slammed into me with each fuck thrust I could feel myself losing control again. Sensing this, he picked up the pace even more and then let out a yell of release as he came, giving me the green light to let loose again. My pussy burst like a broken pipe, spraying juice onto his warm, creamy cock.

Breathless from our bout of bonking, we fell back onto the sofa's soft cushions and into a deep sleep. The next morning he left for work, his cock still sticky from the night before. The only sign of last night was the muddy carpet!

CARA 

Burrowing bounders! Cara has a full set to nestle in and boy do we wish we could plunge between those pillows of desire. But the too hot to trot Miss Brett, had other ideas on this recent shoot that got her booty bouncing. So we were just happy to frolick afterwards on the black leather bench, where Cara had lay just moments before. Don't worry we are aware that our stalkerish mannerisms leave a lot to be desired, but can you really blame us with Cara on the loose? ♣

CARLOTTA ♣

Riding in on the ocean tide with a cracking view, our Carlotta's certainly got nothing to hide, which ticks all our boxes. The buxom beauty left us wondering if she was responsible for the incoming tide.

"I'm always just as wet as this view; I seem to spend most of my time horny as hell!"

This sounds like an all hands on deck job, as Carlotta's in need of a salty blast from Master Bates!
